

IN THE STANDS AND ON THE FIELD, NATIONWIDE IS PROUD TO SUPPORT THE CIAA.

Nationwide is committed to helping develop the future leaders of our communities. For the past eight years, we've been a trusted partner to the Central Intercollegiate Athletic Association. Not only are we proud to have donated over \$1 million in scholarships to the CIAA student athletes, we've also hired interns from the CIAA, many of whom have become full-time associates for our company.

Our support of the CIAA and the teams today goes far beyond sitting on the sidelines. Congratulations to these student champions.
